

October 2018

Saint Vincent De Paul Preschool Playgroup Newsletter

Announcements

It's hard to believe the children have been in the Pre-school for over a month now and most have settled well. We would like to thank you all for supporting us throughout our settling in period. We would appreciate, if all parents would continue to support us through our lunchtime routine as this is another transition for the children and it may take some children longer than others. Thank you

Notes and reminders

Please ensure that your child has a change of clothing on their coat pegs. When your child starts lunch please ensure their fruit is pre-cut, also please make sure grapes are cut length ways to prevent choking from occurring.

1

All about me

We will be talking to the children about themselves, families and their homes

2

Routines

We will be discussing routines such as bedtime and dinner time routine.

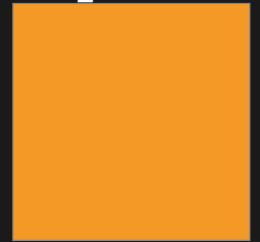

3

HALLOWEEN

The children will have opportunities to discuss Halloween.

Talk about dressing up,

Our shape this month is square

Our colour this month is orange

Our number this month is 2

Please reinforce these at home

Count with your child
