Pre-School Newsletter

Theme & Activities

This month our theme is autumn, we will be learning about what happens in autumn, animals that hibernate and routine of day and night. We will be promoting the colours yellow and blue, square and the number 1. Please talk to your children at home about what we are learning.

Jump, jiggle and jive will be back on Tuesday 20th November with a charge of £2 towards the cost and will continue once a month. Without these payments we would not be able to continue with monthly sessions. The children enjoyed the music and dancing and through this your child will continue to develop their physical, language and listening skills.

We will be introducing **Big Bedtime Read** with a work shop for Parents/Carers on the 16th November at 9.15 am Refreshments will be provided. This was a great success last year and encourages more reading at home. We will be providing books and a bag for your child through a lending library. We would encourage all parents/carers to attend.

Reminders

Photographer Friday 9th November
£10 per pack

Big Bedtime Read ....Friday 16th November at 9.15 am

Jump, Jiggle and Jive...Tues 20th November

Announcements

We went on our autumn walk in October and the children really enjoyed it, pictures on the website (Saint Vincent De Paul Parish) then click the link to pre-school. We also have a Facebook page for parents only.. send a friend request to saint Vincent De Paul Pre-school Play group. Unfortunately the visit to go to Santa's cottage in the Mourne Mountains is not available now for schools, we are hoping to arrange another event. More information later. The date for Christmas nativity is above
